

Minutes of VC held at 5pm in UNNATI on GSA 2018

1. Following issues were reported, that need to be looked into by the **Technical Team at LNDC:**

- a. In the mobile app, the date in the header is always showing as 14/04/2018.
- b. Tamil Nadu - Theni - not able to enter data. E-Mail sent by Sh. Venkat (9540369444).
- c. Punjab SBS, Shri Bedi (9868470252) village showing wrong of another district. Even district too.
- d. Tripura – Agartala – Block user not able to create GP users
- e. MP – Gondia – Village mapping issue
- f. MH – Gondia block name not coming in drop-down
- g. UP – Mainpuri – Number of State level Nodal Officer is incorrect. The State level User needs to be created.
- h. Bihar – Araria – In Mission Indradhanush report, District Araria coming twice. Mail already sent to gsa.2018@nic.in
- i. Gandhinagar Central Nodal Officer – Can see only one scheme after login.
- j. Reports to be developed for State & District level officials to see progress of data entry in their State/district.
- k. Maharashtra – Gondia: Blocks are not showing. Unable to enter target and scheme details.
- l. Telangana – Warangal district – split into 4 districts now.

2. Following needs to be done by **the Control Room PMU of GSA:**

- a. The FAQs & SoP for every user (Line ministries, state, district level etc. for target entries and progress update) needs to be completed at the earliest and published on GSA portal.
- b. A chart indicating the designations of Nodal Officers/In-Charge Officers, line ministry functionaries, etc. for each scheme, needs to be compiled and put in portal.
- c. Formats of reports for monitoring by State & District level users needs to be finalized and shared with LNDC NIC team.
- d. Mobile no. of Nodal Officers of Central Ministries for the 7 schemes to be added & published on GSA.
- e. Ensure closure of all action points for previous VC held on 18th April.
